

Niutang Delivers Quality Standards Presentation at China Food & Beverage Industry Summit

Brea, California, June 27, 2009 — [NiuTang](#) Chemical, a leading global manufacturer of [sucralose](#), [aspartame](#) and other food additives, presented at the 2009 & 6th Annual China Food & Beverage Industry Summit that took place in Shanghai, China on June 25-26, 2009. Kerry Kenny, Niutang's Director of Quality and Technical Support – International, delivered the presentation entitled "Niutang – Managing Quality Standards in the Global Food Chain".

The Annual China Food & Beverage Industry Summit is billed as "China's most successful annual event for the latest trends, consumer insights and strategic options for the food and beverage industry." More than 100 leading food and beverage companies attended this year's event.

Mr. Kenny's discussion focused on the importance of quality control in the manufacture of food ingredients and the rigorous standards that Niutang enforces to ensure the highest quality for its [sucralose](#), [aspartame](#) and other food ingredients. Niutang meets the most stringent U.S. and European manufacturing, compliance and [quality](#) controls with products that are:

- Manufactured according to cGMP requirements as stated in CFR 21 Part 110
- Produced to meet all quality specifications required by current FCC
- Moody International ISO 9001:2000/cGMP/HACCP certified
- Kosher and Halal certified
- Registered with the U.S. FDA in accordance with the Security and Bioterrorism Preparedness and Response Act of 2002

About Niutang
